FUND INFORMATION TO BE CONSIDERED BEFORE INVESTING

The STANLIB Multi-Manager Property Fund should be considered a medium to long term investment. The value of units (participatory interests) may go down as well as up and past performance is not necessarily a guide to the future performance. The Fund is traded at ruling prices using forward pricing, and can engage in borrowing of up to 10% of the market value of the portfolio to bridge insufficient liquidity as a result of the redemption of participatory interests and may engage in scrip lending. A schedule of fees, charges and maximum commissions is available upon request from STANLIB Collective Investments Limited (the Manco). Commissions and incentives may be paid and if so, would be included in the overall costs of the Fund. Liberty is a full member of the Association for Savings and Investments South Africa (ASISA).
