

STANLIB Multi-Manager Real Return Fund

As at 30.11.2018

STANLIB

Investment Description

This is a multi-asset class portfolio that is diversified across asset classes, sectors, various strategies and asset managers - both in South Africa and internationally.

The portfolio also aims to outperform CPI plus 5% over rolling 5-year periods, and deliver alpha ahead of the peer group average.

The Fund is Regulation 28 Compliant.

Suitable Investors

- Who want a multi-asset class solution where asset allocation decisions are outsourced to specialist managers
- Who seek to enhance long-term capital growth
- Who are comfortable with taking on some risk of market fluctuation
- Who typically has a medium to long-term investment horizon

FUND INFORMATION TO BE CONSIDERED BEFORE INVESTING

The STANLIB Multi-Manager Real Return Fund should be considered a medium to long term investment. The value of units (participatory interests) may go down as well as up and past performance is not necessarily a guide to the future. Where foreign securities are included in the Fund it may as a result be exposed to macroeconomic, political, tax, settlement and illiquidity risks factors that may be different to similar investments in the South African markets. The Fund is traded at ruling prices and can engage in borrowing up to 10% of the market value of the portfolio to bridge insufficient liquidity as a result of the redemption of participatory interests and may engage in scrip lending. A schedule of fees and charges and maximum commissions is available on request from STANLIB Collective Investments (RF) Pty Ltd (the Manco). Commission and incentives may be paid and if so, would be included in the overall costs. Fluctuations or movements in exchange rates may cause the value of underlying international investments to go up or down. Liberty is a full member of the Association for Savings and Investments of South Africa (ASISA). The Manco is a member of the Liberty Group of Companies.
